Prior arrangements are required such as application for visa upon arrival. In China a prearranged visa can be obtained on arrival. The length of time will depend on the port of arrival. There are specific conditions for visa issuance which are determined by the airport of entry*

Travel to the Schengen Countries allows for stays for up to 90 days in a 180 day period business, family and touristic purposes in Europe.

Visa Free Travel to Schengen Countries

Applicants for a Schengen Visa have to determine which Schengen Country constitutes their final destination and supply fingerprints and digital photos along with their application to the embassy or consulate for that country (It only has to be done once).
